Around Your Home

By Frances Dell

Americans are living in the open more and more. The newer houses have a covered porch or uncovered terrace instead of a front porch. For this reason, more women are learning what a pleasure it is to work in the garden and are making the terrace a part of the garden.

The outdoor terract or porch should have two essentials: be harmonious with the house and not try to compete with nearby flowers or shrubs. It should be a complement to them and a link between the house and the garden. From a functional standpoint, it should be comfortable.

Outdoor furniture is best done in solid colors or a stripe. Chairs and couches should be of the lounging sort, comfortable, and easily moved about.

It is very important for outdoor furniture to be weather-resistant, for when furniture becomes a burden, the terrace is no longer the pleasure it should be.

Weather - risistant furniture is made from metal painted, certain types of reed or fiber,, hickory, painted wood and redwood. Fibers which grow in marshy places are fine for furniture exposed to dampness.

Colors and fabrics must be chosen with attention to the color of the house itself. This is particularly true if your house is of brick. Wicker in a natural color and blue or yellow go well with almost all shades of brick. Almost any bright color goes well with a white brick or clapboard house except white, which does not show up well enough.

Fabrics should be durable ones such as: sailcloth, cotton twills, ercotonne or any number of the water-proof fabrics.

Furniture on wheels is becoming quite popular and is certainly to be recommended. The barbecue grill on wheels is convenient and just as functional, some say more, as the chimney-type built of brick or stone.

MARINE CORPS NEWS

Aviation training is now open to a limited number of applicants for enlistment in the regular Marine Corps, MSgt. John D. Moore, recruiter, said today. Young men enlisting under the new program are guaranteed assignment to an aviation school for training upon completion of recruit training and Individual Combat Training, unless they voluntarily request assignment to other duties in the Marine Corps.

Sgt. Moore said recruiting officers have been authorized to specify on the records of new recruits that they have enlisted for aviation training.

Applicants for aviation training will receive valuable technical training. Promotional opportunities are excellent in the aviation field.

Complete details on the program are available at the Marine Recruiting station, located in the Post Office Building, Lynchburg, Va.

SMALL BABIES

Reseda, Calif.. Babies here in California are arriving in small sizes. A Crescent City couple recently had a son weighing in at 1 pound 13½ ounces, The day before a boy checked in at Glendale at 1 pound 15 ounces. Then a little girl, born to Mrs. Donald Jaeger, of Reseda, arrived weighing 1 pound 8 ounces.

Cigarette sales are staging a comeback.

HEALTH AND BEAUTY

Eating For Beauty

Listening to a group of ladies talking, the writer is impressed that one of the most absorbing topics of conversation is cooking recipes. Most of the interest centers around deserts and foods that are mixed and combined with condiments to make them taste good.

Civilized races have gotten so far away from the simple food provided by nature, that it is no longer palatable to them, unless seasoned with condiments. Probably no race of people in the world suffers so much from constipation, colitis and intestinal disorders as the Americans.

In our own country, malnutrition is evident among the rich as well as the poor. There is no state in which there is any excuse for this. Vegetables of every kind, as well as many fruits, will grow if planted and given reasonable care. Every little farm should provide milk and eggs in abundance for the needs of the family.

Instruction in the care of the body must begin in the schools and homes of the nation if our people are to be healthy.

The prospective mother should be instructed how to eat properly, in order to put the right material into the teeth of their unborn children. Calcium or lime enters largely into the formation of sound teeth. She should eat fresh leafy vegetables, beans, fruit, milk, etc. The diet should be rich in lime and phosphorus, Only in this way will the child form sound teeth.

The baby should have milk, at first breast milk is best; fruit juices and cod liver oil with plenty of sunshine. If this regimen were carried out, the expensive dental clinics, could probably t be dispensed with in a few years.

The average child goes to school after a breakfast of hot biscuits (white), a piece of bacon and a cup of coffee if he wants it. The families who can afford that sort of diet could provide milk instead of coffee, whole wheat instead of white flour. Eggs could be substituded for bacon every day or two. Some butter could be served, also.

Carver-Price School News

Hello Readers:

On Friday, November 2, 1956, the Planning Committee of the State Student Participation Association met in the Biology Lab in the Religian Building at Virginia Union, Richmond. The committee consisted of the SPA State officers, the officers of the various high school SPA groups, Carver-Price Student Council officers, and the SPA sponsors.

The meeting was called to order by the State President, Anne Lowe. Devotions were led by the State Chaplain. Introduction of the State officers was made by the President. The meeting was for two main purposes:

(1) To elect or slelect an assistant recording secretary.

(2) To plan for the 9th Annual Spring Conference.

The Ninth Annual Meeting of the Student Particpation Association will be held at Carver-Price High School, Appomattox, on Friday and Saturday, April 12 and 13, 1957.

Some of the topics suggested for the theme of the Spring Conference were:

(1) Strengthening Our World through Student Participation.

(2) Youth Leader Today, World Leaders Tomorrow.

(3) Moving Forward through Student Participation.

(4) Forward Ever, Backward Never.

The main speaker for the conference will be selected from the following persons suggested by the delegates and officers at the State meeting:

1st.- Dr. Paul E. Elicker
2nd.- Mrs. Edmonds
3rd.- Dr. Daniels.

Suggestions for discussion topics were:

(1) Swap Shop
(2) How Can the Student Council Become a Training Ground.
(3) What Can the Student Council Do to Motivate New Membership Schools to Join.

The treasurer's report was given by Miss Lillian Weaver.

It was moved and properly seconded that the next planning meeting will be held the latter part of January at Carver-Price High School, of Appomattox.

Meeting adjourned.

This report is respectfully submitted to you, the readers of The Times-Virginian, by: Dianne Tibbs, Secretary of Carver-Price SPA, and Helen Preston, Eighth Grade Representative to the SPA.

The Library Science Club met November 8, at the Activity Period. The club will give a play titled, "Mr. Global Map Becomes Angry," in Assembly on November 28. Miss Mimi Johnson, our sponsor, will write the play.

The panel titled, "Recreation For Today's Youth," was given on November 9, in the general session of the Negro Organization Society. At the end of the panel discussion questions were asked by members of the N. O. S. and the panel really responded to the questions asked.

Everyone enjoyed the panel! The members who participated were: Celestine Chambers, chairman; William Forbes, Mary Goode, Bobby Booker.

Laura Fleshman, a senior represented Carver-Price in the Oratorical Contest Sunday, November 11. The program was presented by the Gamma Omega Chapter of the Omega Psi Phi Fraternity at the Jackson Street Methodist Church in Lynchbrug. Prizes were given to the participating schools in the following order:

1st prize, Susie Gibson High School, Bedford, Virginia.

2nd prize, Dunbar High School, Lynchburg, Virginia.

3rd prize, Carver - Price High School, Appomattox, Virginia.

We close with this thought for the week: "Man shall not live on bread alone." Luke 4:4.

Vera

Vera, Nov. 13.- November is beginning with plenty of rain and right cold weather.

Farmers are busy sowing their wheat. It has been so wet they are late sowing.

Mr. and Mrs. T. C. Harvey and Harriette visited in the home of Mr. and Mrs. Willie Childers on Friday night.

Mrs. Grover Beasley was taken to the Virginia Baptist Hospital on Wednesday. We do hope for her a speedy recovery.

The community was saddened by the passing of Mr. Gene Torrence. So many are passing away so suddenly. We extend sympathy to his family.

Mrs. Nathalie Robertson had a birthday party on Saturday night in honor of her son, Walter. They had a big crowd and all enjoyed the occasion.

Visitors in the home of Mr. and Mrs. T. C. Harvey for the week-end were Miss Mary Helene Childers, Miss Gloria Garrett, and Mr. Lewis Turnes.

IN FASHION NOW

There was a time when comfort was the least considered element of fashion. However, designers have come to realize that, when a lady is not comfortable and relaxed in her clothes, it is impossible for her to look her best.

Naturally, the first item of clothing to be considered is a properly-fitted foundation garment. There are so many styles and designs on the market that there is no excuse for being uncomfortable in bras, girdles or even corselettes. Keep trying until you find the one designed with your type of figure in mind.

The requirements of a young girl of sixteen and a mature woman of forty are not the same. The corselettes found in the fine stores are a boon to the mature woman. Made of nylon elastic, they are tough and strong but, at the same time, light, cool and comfortable.

The corselette will be more expensive than the girdle bought for a young girl, but is probably the most important single piece of clothing to be chosen. It is just what the name implies, the foundation for your other clothes.

Not only have foundation clothes been made more comfortable through the years, but street clothes, play clothes, and evening clothes, as well. Top designers have tried, in recent years, to put over uncomfortable designs as high style, only to find that American women will not accept them. This should be considered a feather in our caps.

Pamplin

Pamplin, Nov. 13.- Those who attended the Philadelphia Symphony Orchestra concert in Richmond on Monday night were Mrs. Roy Lucado, Mrs. R. W. Smith, Mrs. W. C. Dudley, Mrs. Clarence Webb, Mrs. R. E. McClenny and Mrs. E. N. Harvey.

The Rev. and Mrs. W. M. Black and Miss Mary Rives Black spent Sunday at Lexington.

Mrs. H. T. Terry has returned to her home here after spending several weeks with her daughter, Mrs. B. A. Chandler, of Portsmouth.

Mrs. George Dalton, of Arlington was a week-end guest in the home of her parents, Mr. and Mrs. C. W. Slayton.

Recent visitors in the home of Mr. and Mrs. E. L. Pankey were Rev. Lawson Pankey, of Norfolk, and Mr. and Mrs. George Murphy, of Newport News.

Mr. and Mrs. Percy Lucado, Percy Jr., Philip, Mrs. Lynford Cumbey and daughter, Jean, spent last Sunday with Mr. and Mrs. Ralph Lucado and family, of Roanoke.

Mr. and Mrs. T. H. Wayne attended the 50th wedding anniversary of his uncle and aunt, Mr. and Mrs. Robert Nash, of Campbell County on Sunday.

Week-end visitors in the home of Mrs. H. T. Terry were Mrs. B. A. Chandler and children, of Portsmouth, Mr. and Mrs. Herman Wingfield and Miss Ann Terry, of Richmond, Mr. and Mrs. J. B. Terry and children, of Appomattox, and H. T. Terry, of New Jersey.

Mr. and Mrs. Calvin Irving, of Richmond were week-end guests in the home of Mr. and Mrs. E. B. Davis.

Braxton Dickerson, of Portsmouth spent the weeke-nd at his home here.

Week-end visitors in the home of Mr. and Mrs. E. L. Pankey were Mr. Ralph and Harvey Reams, of Richmond, and Miss Beaulah Cobb.

Mr. and Mrs. E. B. Davis and daughter, Kathy, were Sunday visitors in the home of her parents, Mr. and Mrs. W. S. Wayne, of Phenix.
